description:

Finca on the road, near Aznalcázar in the direction of Bollullos. They are 3000 m², fenced, with light and water. It has a construction of brick factory of 33 m², in addition there are two constructions more than about 40 m² between the two. Very good access and peace of mind despite the traffic on the road as the construction is away from the road and the grove works as a sound barrier.
