description:

Industrial warehouse in the polygon of Aznalcázar, facade to the road that comes from Benacazón, at the roundabout in front of Bar Area Zero. Has a part of the ship as a zone of exposure and the high floor of this area is suitable for offices.

Departing from the area of exposure for the interior, we find the storage shed. This ship was a house of tiles and flooring is very important.

It is open to negotiate the rent with option to purchase.
