Description:

Rustic orange tree farm, with summer and winter oranges, well and drip through the farm. Good access. Very well maintained farm that produces a very good orange production. It has a fairly large tool room, about 50 square meters, divided into two rooms, has a fireplace and a bathroom with shower, sink and toilet. To use it as a recreational farm, you only have to fix the pool and the house a little. It is 1 tilometer from Bollullos de la Mitación in the center of Aljarafe Sevillano. 15 km from Seville and 65 from the Matalascañas beach in the province of Huelva.
